- Put up Flags on Main Street for Holidays and in Cemeteries for Memorial Day
 - Register Organ Donors
- Loan Out Medical Equipment
 - Fund Disaster Relief

REMEMBER:

This is just a small sample of what Lions Clubs across Michigan do and can do.

Our Clubs and its members decide their own projects their own way to give back and help their communities.

Lions Clubs are everywhere; there's likely one in your hometown. Our fundraising events are just as much fun as our service projects! 100% of the money we raise goes back into our communities; our administrative costs are covered by our very nominal yearly membership dues.

Lions Clubs have a lot to offer their members. You'll have the opportunity to use your hobbies and skills to make a real difference in your community. Lions also offer leadership and public speaking training to their members, skills that you can use in your personal and professional life. Many clubs also have programs that can include the whole family, so it's a great way to teach the kids about giving back and paying it forward!

Join us; the life you change might just be your own!
