

# LION PRIDE WE SERVE

A PUBLICATION OF THE LIONS OF LOWER MICHIGAN - MD 11

**“READ ALL ABOUT IT!”**

## THANK YOU, MICHIGAN LIONS COUNCIL CHAIR DAVE HILL

Each year we have a group of Lions who volunteer to selflessly provide their time and resources to become District Governors. In this Lion year I believe that MD11 and SD10 have been gifted with the leadership of an exceptional Council of Governors for 2021 and 2022.

**SERVICE** - In the area of service, the Council of Governors has significantly improved the number of clubs reporting service through the coordinated efforts of each District Governor, District Administrator and District GLT. Through their combined efforts they have been able to increase emphasis, training and assistance to clubs with the LCI site. They have established a service reporting infrastructure that has resulted in MD11 exceeding the National Lion average of service reporting.

**COMMUNICATION** - In the area of inter-District cooperation and assistance, this Council of Governors has excelled as a team. Using Zoom, this Council met on a weekly or bi-weekly basis to discuss and share information to improve both MD11 and SD10. This Council included Lions from five other States and full-time staff from LCI in many of their Zooms. As a result, we learned from Lions across the United States how to improve in both membership and service. It took extra dedication and time, but this group gave it. The result was a team that knew it could depend on and learn from each other as well as from LCI and Lions from other States.

**MEMBERSHIP AND LEADERSHIP** - In the area of membership and leadership, MD11 and SD10 have reported positive growth in every month of their tenure. This Council of Governors established a working relationship with LCI and four other Multiple Districts to locate source experts on social media and targeted advertising. The result was a two-hour social media workshop involving New York, Tennessee, Delaware, Ohio, Indiana and Michigan Lions. This Council successfully applied for and received a \$3,000 grant from Lions Clubs International to be used for recruiting. Currently, MD11 has a positive membership growth for this Lion year of 159 and SD 10 a positive growth of approximately forty. With the dedication and help of Lions throughout the State of Michigan, this class of District Governors could be the most successful membership class in four decades.

I personally want to thank each of the 2021-2022 District Governors for the privilege of being a member of their team. It has been an honor to serve them. I would like to thank Executive Director Wendy Burns for her superb support, PDG Dave Wineman for his support as our Area LCI leader and Lion Nancy Hill, my bride, for her support and service to the Michigan Lions and this Council Chair. Also, I want to thank our GAT leaders PDG Brent Beracy, CCE Ron Gibson and PDG Matt Doney. First and foremost, I want to thank every Lion in Michigan for your service and dedication to our State and the world. **YOU ARE THE BEST!**

In your service,  
**CC Dave Hill**

## DISTRICT GOVERNOR SPOTLIGHT

DG Terri Huffman  
11B1

We are members of the largest service organization in the world.

Community service is unpaid work performed by a person or group of people for the benefit and betterment of their community without any form of compensation. Community Service can be distinct from volunteering since it is not always performed on a voluntary basis and may be compulsory. (WIKIPEDIA)

I am proud and honored to be the Global Service Team coordination for Michigan Lions this upcoming year. I am excited to see and learn about the different ways Lions are doing service projects throughout the State. I am also looking forward to sharing the service projects that I have facilitated. I look forward to sharing resources to improve existing projects and increase the impact the service has on our communities. We all know that Quality Service projects increases member satisfaction and attracts new members who are looking to serve in their community. By sharing information about grants that are available through LCIF the service projects can be greatly enhanced and the impact on the community much greater.

Part of my responsibilities will also be to enlighten Lions about the benefits of documenting all of the service hours that are completed. By documenting service hours Lions are able to accurately measure the global impact we are making, we can identify the best ways to work together as Lions, we are bringing the great work of the Lions to the attention of our communities and we are making sure clubs are being supported by grants in the best ways possible. When a club calculates their monthly hours it is amazing to see how many hours have been completed throughout their community. Truly something to brag about.

Identify that service coordinator in your clubs and hook them up with your Districts GST! I look forward to working with all you.

DG Terri Huffman, GST Chair 2022-2023

## DISTRICT GOVERNOR SPOTLIGHT

DG Brian Betzhold  
11D2

When I was growing up in Sterling Heights, my mother and father both showed me how to serve others, some ways I did enjoy more than others.

Shoveling snow for 3 older people in the neighborhood did get old pretty fast, along with my mom getting me out there in the cold at 5:30 a.m. so I could get started before anyone else got a chance

to was a bit of a head scratcher for me. When I moved out to Metamora and had kids, I tried to pass along the art of giving back. Unfortunately for me, I had two girls that hate the cold and hate shoveling our long driveway, so I'm still out there shoveling!

My daughters became involved in Girl Scouts as well as local school projects. I lived in Metamora for 10 years before I knew about the Lions Club. They'd have breakfast from time to time and would manage the Balloon Festival beer tent, but I really did not know what they did. I volunteered for the schools and of course the Girl Scouts and then one day we were doing a fundraising fish fry for the school and using the Lions Club kitchen. There was a Lion there, (Lion Ralph), sitting in a chair watching us work and I asked him what exactly the Lions did. He gave me a brief overview what causes Lions support. That night changed everything for me. I've thrown myself into the Lions ever since.

I think this is one of our biggest issues.... people not knowing what we are about. They may know one thing, maybe glasses, but I don't think most people know the breadth of our service. How do we combat that? I tell clubs that I look at the world as basically 2 sets of people...those who serve others and those who want to serve others and do not know how. I look at all our members we have in our district, the state, the country and internationally and I realize these are the people that knew they wanted to serve. Everyone else I view as a potential member, a potential donor, and a potential friend to the Lions Club.

Don't be afraid to ASK.....ask someone to be a member, ask someone for a donation, and ask people to support their local clubs as well as Lions Club International. You would be surprised at what people are willing to do to help their local Lions Club, they just never had anyone approach and ask.

I want to thank everyone for a special year. We got off to a rough start, but we persevered like I knew we could. Statewide we are up 260 new Lions, a feat not seen for the past 40 years. Let's keep that going in the next Lions year and continue to inspire our communities.

Yours in Service –  
District Governor Brian

## GLOBAL MEMBERSHIP TEAM REPORT

Brent Beracy  
MD 11 GMT  
2021-2022

MD 11 Global Membership Team 2022 – PDG Brent Beracy

I'd like to start by thanking the District GMT's, Council of Governor's, ID Lion Justin and the liaison committee for their support, guidance, leadership, and teamwork throughout the 2021-22 Lions year. This year's stats are on course to break a nearly 40-year membership growth record, a testament to the quality and resourcefulness of Michigan's leader's. That "Never Quit" attitude is certainly one to pass on to our incoming membership teams.

Even though this Lions year is not quite over, I'd like to recognize the continued efforts of all of the district's membership teams; 2021-22's covid pandemic rebound has challenged all of our clubs to find new ways to serve in their own communities and our Lions did not disappoint! In April and May our district's participated in the 60 members in 60 days challenge. EVERY District added new members during the challenge, led by district D1, A1 & A2. This momentum can carry through our upcoming year as we continue to build new community partnerships as well as new clubs.

I'd also like to congratulate District A1 DG Roshni Patel and her team who have chartered 1 new club (Detroit Wayne State Community Area) and District B1 DG Terri Huffman and her team chartering the Clear Lake Virtual Lions Club. Throughout Michigan there are still a number of potential new clubs just over the horizon. Great work Governors!

The continued hard work of our district teams also shows when we highlight the most important part of our team, YOU, the Lions Clubs of Michigan who have grown your membership 20% or more ushering in a new generation of Lions to serve our communities:

## GAYLORD TORNADO

Gaylord, Michigan was hit with a rare, EF3 tornado in May, causing devastation throughout the community. Two people died and dozens more were injured.

The County Emergency Management in Gaylord has turned over assistance to displaced people to the United Way. Lions in District 11 E2 are coordinating the Lions response with United Way. They have been flooded with donations of food and supplies, and their immediate need is for gift cards. As a district, we applied for a Lions of Michigan Foundation emergency grant of \$7500 with which will we will purchase Wal-Mart or Meijer gift cards.

These will be distributed to the displaced so they can buy clothing, pot, pans, etc.

We have district funds available as well. The United Way director has requested that we wait about 2 weeks to disburse those when they can see what the needs are then. If your club would like to make a contribution to help with this effort, you can either wait a couple weeks when I will send out more information, or if you would like to do something now, you can send a check made out to Lions District 11-E2, and we will add that to the funds we will be disbursing in a few weeks for the ongoing needs.

In about a month, we will be applying for an LCIF Community Recovery Grant. We can get up to \$20,000 (if approved, of course!) from LCIF which can be used for repairs and refurbishment and other longer term needs.

If you would like to help with the efforts already started by the district, please contact CST Barb Durlinger at: 989-742-2790 or email lionbarb@comdac.com

## What's Your Legacy?

Have you ever sat back and wondered, "What is it that I would like to be remembered for?" It is pretty much a given that we all have at some point or another. It's a question where title or privilege has little to do with outcomes. For instance, if someone asked me to name the long past presidents of the United States it would be a no brainer to list Washington, Jefferson, Lincoln, or Roosevelt. I remember each of these people for what they did. Others are not remembered, not because they were lacking the title or privilege, but because they lacked profound actions. Helen Keller is remembered for what she did. Each of these leaders had the unique ability to bring people together. They were uniters. They understood people and did something good with their talent.

So as our Lions year dwindles down, it is time to honor some of this year's uniters. Here is my list. I encourage you to make your very own. And, then thank them. These are Lions that have made a difference to Michigan. CC Dave Hill, well done. You took a vision and made it into a reality. MD-GLT Ron Gibson, you took a group of leaders and turned them into our coming years governors. DG's Ron Riebschleger and Jim Svinicki you led your districts in FUN and membership. DG Ron's 11C1 led Michigan in reported service as well. Talk about uniters.

One group of uniters this year must be district 11A1. For those of you who do not know they are the smallest district in the state. Rather than divide or complain about their size, the district did something about it. When they started the year, there were many unanswered questions. But, they worked together to unite their district and produce membership and yield service. And then... Yesterday, just when most of us are winding down for the year, they brought in one of the newest clubs in Michigan, the Michigan Desi Cyber Lions Club. It was a delight to see this group work together to achieve this feat. Uniters and builders on a district level.

Many of us Lions have leaned on the resources and staff of Lions Clubs International this year to address the needs of our districts. It takes a lot to work for so many different leaders, who quite sincerely are demanding. Another example of a group of individuals who have made a difference by being uniters. Thank you LCI staff!

Lion Wendy Burns, our executive director and all around "do darn near everything and make it look effortless". Words do not describe the difference you make. You are more than a uniter. You are the glue that helps hold Michigan together.

A non water winter wonderland state Lion that needs to be honored is PID Jerome Thompson. Many Lions and leaders in Michigan have had the pleasure of working with him. How PID Jerome finds the time is rather a mystery to me. He does, and it has made a huge difference to the area (United States). His patience and encouragement are exemplary. Recently, he is engaged in establishing a Quest/DEA club in the state.

Michigan has had a bounty of International Directors that have been uniters and builders. Having seen other states and how they operate, rest assured that our group of PIDs are both great leaders and uniters. We have been blessed with some of the best of the best.

Did you miss your name on the list? Truly there are many that belong on this list that are beyond this article. The neat thing is that they are there through their service and accomplishments. They gave their all as a Lion. They were inviting to the public and other Lions. They were uniters and could see the difference that it made to those around them. It has been a pleasure to work with all the uniters and builders this past year. And...

As we embark on a new year, let's build the teams that distinguish our great Lions organization. Teams that unite rather than divide. Teams that serve (and report it, haha...) and better those around us. Teams that make a difference.

Bring on the new Lions year! We got this.

Cheers!

## LIONS BEAR LAKE CAMP Introducing Interim Director Lion Traci Tribley!

LIONS BEAR LAKE CAMP  
3409 N. Five Lakes Road, Lapeer, MI 48446

April 18th, 2022

### INTRODUCING INTERIM EXECUTIVE DIRECTOR LION TRACI TRIBLEY

Dear Lions, Friends, Family, and Supporters of Lions Bear Lake Camp,

I would like to introduce myself to you as the new Interim Executive Director for Lions Bear Lake Camp, and take the opportunity to thank Shelly O'Henley for all she has accomplished for the camp and wish her luck in her new endeavors.

Professionally, I have a background of 20+ years in management and customer driven consulting experience. I have been involved in Lions for over 17 years, and I am the current Vice District Governor of District 11-C2. I am the State Chair and District Chair for Lions Bear Lake Camp, as well as District Leo Club Advisor. I am a 2021 Lions University Bachelors Graduate and am on the path to receiving my Lions University Masters in Calgary this fall.

I began volunteering at Lions Bear Lake Camp when I first joined Lions, and found the camp to be a passion of mine from the beginning. I joined the Board of Directors and Executive Board in 2017, and have served as secretary for both, as well as HR Committee Chair, Finance Committee member, and Board Development Committee member. Last summer I had the privilege of working in the kitchen during camp season, which gave me the opportunity to build relationships with the staff as well as experience camp firsthand.

My husband Tim and I reside in Bancroft, MI and have raised 5 amazing children and are blessed with 13 beautiful grandchildren. Our kids and grandkids are all very involved in both Lions and Leos, and enjoy helping and serving others.

Whether through Girl Scouts, 4H, or the Leo Club, I have always had a strong devotion towards mentoring and supporting youth to develop leadership and life skills. I am excited and honored to take on this new role and look forward to a great summer and camp season. Please feel free to reach out to me with any questions you have. I appreciate all of your continued support and dedication to Lions Bear Lake Camp.

Gratefully,

**Lion Traci Tribley**  
Interim Executive Director

## LMASB CEO ANNOUNCEMENT

Introducing Lions of Michigan All State Band's new CEO – Lion Deb Davis

Hello fellow Lions, friends, and supporters of the Lions of Michigan All State Band...

Please allow me to introduce myself as the new CEO of the Lions of Michigan All State Band and to thank Lion Becky Dahlke for her many years of devotion and service to the band. Her long-term commitment was an inspiration and a true sign of dedication to the band's mission.

My professional background includes a 25+ year career at Paws With A Cause in fundraising, marketing and public relations. In my position at PAWS, I worked with the Lions of Michigan, numerous Lions Clubs within Michigan and around the country in their support of Assistance Dog placements. Lions Club members always impressed me with their passion for service, so I became a proud member of the Rockford Lions Club in District 11-C-1 in 2013.

My Lions service has included the roles of Cabinet Secretary (previous and incoming), District Convention Chair, MD11 Convention Committee Member, District Projects Night Chair and District Zone Chair. I have attended the Lions Leadership Institute for two years.

As for musical experience, I played clarinet in our high school band and was a 4-year member of the Marching Chippewas at Central Michigan University. I have worked at Blue Lake Fine Arts Camp as well. Music and band have been strong components of my educational experience. The friendships and leadership experiences gained through band are part of who I am today.

My duties for the LMASB will include helping to recruit musicians, plan their travel and promote the band in all Lions Forums, including a new website for the band! (Stay tuned for details!)

I look forward to working with all Lions and the Board of the Directors of the Lions of Michigan All-State Band as we look forward to the International Lions Convention in Boston in 2023. We invite our fellow Lions to watch our progress as we look to strengthen the organization through increased communication in forming the 2023 band.

Thank you for your consideration in supporting the Lions of Michigan All State Band.

Yours in Lionism,

Lion Deb Davis

## LIONS NEWS FROM NORTH OF THE BRIDGE

### Serve the Environment from the Comfort of Your own Home

Now that the snow has melted, and the possibility of frost fades, gardening season begins in Michigan's Upper Peninsula. District10 Lions are feeding both their indoor and outdoor plants with homegrown compost. We all can serve the environment by becoming worm farmers. It is the season to plant our vegetable, flower, and pollinator gardens. Whether you have started your seeds in your own greenhouse, sprouted your seeds in a sunny window, or choose to buy your plants at a local garden center, planting a garden, container pot, hanging basket, or window box is good for our planet.

You can nourish your plantings by adding your own vermicompost, watering your plantings with worm tea, and amending your soil with worms you have raised on your kitchen fruit and vegetable waste. Additionally, you can repurpose your old newspapers and non-glossy paper junk mail by using it as the moistened paper you will need in your worm bin!

To become a worm farmer, you will need two plastic totes with holes drilled in the bottom and lid of one of the totes. Simply fill one tote with clean dirt and get yourself a pound of worms. Red wigglers, commonly used for bait fishing are the recommended choice and can be purchased at your local sporting goods shop, fishing supply, and often at gas stations near fishing

lakes and streams. Worms can also be purchased off the internet or from an active worm farmer in your community. One pound of Red Wigglers is all you need to start your worm farm. Simply put the worms in the tote filled with the dirt, moisten the soil, add shredded paper, and feed them regularly with clean fruit and vegetable waste. Vegetable peels, wilted lettuce, limp celery, rubbery carrots, onion skins, coffee grounds, banana peels, melon rinds, apple cores, and the seeds and ends of vegetables you might have once discarded, now can go to feed your worm farm.

Worm farming is fun to do as a family, with your grandchildren, or as a group service project. Your worm farm will create vermicompost and worm tea which you can use to water your plants and garden.

## THANK YOU, MD 11 CONVENTION PLANNING COMMITTEE!

If you attended the convention, it would have been difficult to miss the hardworking Lions in the yellow shirts who served with a passion this year on the Convention Planning Committee. This group has met monthly since last September to plan out every detail, from the picnic location to the Awards Banquet and everything in between.

Thank you to all for making 2022 our best convention yet!

# Lions of Michigan HALL OF FAME

The Lions of Michigan Foundation officially opened the **LIONS OF MICHIGAN HALL OF FAME** on July 25, 2009 to begin celebrating the rich history that Michigan Lions have at all levels of our association - local, state, district and international. The goal of the Hall of Fame is to keep alive the memory of our great leaders and to document their service so that Lions in the present and future can share a sense of the service that our great state has given to our association. Nominations for the Hall of Fame must be submitted to the Lions of Michigan State Office no later than March 1 of each year.

The 2022 Lions of Michigan Hall of Fame Induction Ceremony, the 13th Annual, will be held on Saturday, July 30, 2022 at 6:00 PM at the Marriott Hotel in Auburn Hills, Michigan. Lodging is \$120.00 plus tax per night for a standard guest room. Lodging reservations can be made by contacting the Lions of Michigan State Office at 517-887-6640 - info@lmsf.net.

The Lake Orion Lions Club held their 6th Annual Lions Races on May 7 at the Boulder Pointe Golf Club . A light dinner and bar accompanied an evening of racing, wagering and fun. Local businesses and groups sponsored lions for the competition and the Best Dressed Lion Award went to the Orion Veteran's Memorial.

The Romeo Lions Club held a White Cane Euchre Tournament on April 9. Attendees enjoyed a nice dinner and participated in several raffles featuring prizes donated by local businesses. The money raised was earmarked for Leader Dogs for the Blind.

Along with lion racing, several raffles and a square raffle were offered. Tim English is shown here making his square selection.

Kathy Bourlier and the other Sterling Heights Lioness/Lion Club Branch members have been making cards to send to the CARD FOR SOLDIERS Program. This program gives all occasion cards to the military here at the USA bases, hospitals and also abroad at The USO facilities. Since COVID started The SHLLCB main focus has been on signing cards to thank them for their Service (1500) and Christmas cards (3000). These cards help boost their moral so they know the people at home appreciate ALL they do to protect our FREEDOM.

Lake Orion Lions (from l to r) Werner Siegle, Wendy Siegle, Barb English and Angela Boomer are shown here manning the registration table.

The Royal Oak Lions Club marched in their city's annual Memorial Day Parade. 2022 Convention: Service it is what we do best! The Lions who attended the District 11-C1 District Convention had the opportunity to participate in two service projects. Since service is what we do best, the planning committee endorsed doing simulations projects. Set-up for the projects was done by the planning committee the evening before. Using an assemble line method, the Lions were eager to participate. After obtaining a galloon size zip lock bag, one of each of the items were placed in each kit. Since many hands make light work, the actual assemble line took less than 20 minutes.

Hygiene Kits: Deb Davis was able to identify an unmet need at North Kent Connect. The agency was in need of items that are rarely if ever donated for their clients. The item in a hygiene kit included: sunscreen, band aids, nail clippers, anti-itch medicine, Motrin, and deodorant. The Lions assembled 150 kits for distribution to their clients. The cost of this project was approximately \$6 per kit.

Kids Snack Bags: An ongoing need through out the district is snacks for children. Many children who are on the free or reduced lunch program or whose families use local food pantries often only get the basics and nothing more. The snack bags included: fruit snacks, granola bars, cheese-its, Rice Krispie treats, pretzels, and teddy grams. The cost of the project was approximately \$2 per kit. A total of 250 kits were made. The distribution site included 2 mobile food pantries, Safe Haven (Domestic Violence Shelter), and a homeless shelter.

Ravenna Lions held their Senior Citizen Dinner on June 1st. They had 90 seniors in attendance and served a delicious meal at no charge for them! The weather was beautiful and they gave away twenty 10-inch flowering pots as door prizes to the lucky winners.

LANSING CAPITAL LIONESSE LIONS have been secretly surprising a fellow club member by a remembrance. Some fun, thoughtful and lovely items have popped up. It is a treat to open an envelope or be given a bag of goodies and wonder, who is your secret pal? What this activity has done is show us how wonderful it is to receive. Someone thought of you and acted on that thought. Some wonderful, diverse goodies have come our way, such as, lottery tickets, gift cards, flowers, personal items and greeting cards. Knowing the feeling of receiving is a warm fuzzy and, as a LION, we are givers in so many ways. That is our mission. Volunteering is one of the greatest of gifts because we can create a bright, warm spot in the lives of those in need.

St. Johns Easter Egg Hunt Lion Nancy Presocki wishes to express her thanks to all those who assisted with the Easter Egg Hunt on a "chilly" April 16, including those who helped with set up and cleanup on the day of the event club members, Lion Brent Beracy and Clinton County Champions members, Lansing Capital Area Lioness Lions Club members, local boys scouts and many, many more. Attached is a flyer that lists the contributors and others who helped to make it a success. They each received a personalized thank you letter from Lion Nancy. E.Bunny takes a well deserved break!

Lion Kenny Kinsey received recognition for the club's eyeglass collection efforts over the last 12 months. A total of 1,536 eyeglasses and seven sets of hearing aids were collected. Lions Michael Banks ID, Kenny Kinsey, Tracy Temple DG

Volunteer Lion Joanna Dresden and April Derlan, Habitat for Humanity

Lions Caleb Jenkins, Jake Andrews, Kurt Stromlund PDG, Carrie Montrose, Bethany Charboneau, future Lion Corbyn Smith participated in the Walk for Warmth. Money raised from the walk helps pay heat bills for those in need in Livingston County.

It was a great turnout for the Lions Bear Lake Camp fundraiser. Lions helped to \$7,947 for the camp at this fun event, with Modern Woodmen donating \$2,500 in the form of a matching grant.

Hartland Lions Club assisted with an Earth Day event in conjunction with Habitat for Humanity. Douglas Fir seedlings were handed out throughout the day.

Hadley Lions continued with their Thumb-famous spaghetti dinner after taking a month off after supply issues forced them to cancel last month's dinner. Their top-secret sauce that takes an entire day to make and packs the town hall every month.

Deerfield Lions are planning a benefit in support of a local family. They are working with local car enthusiasts to have a car show, an auction and a spaghetti dinner benefiting the family.

The Elkton Lions and their community had Kids Day. The Lions gave away about 200 kites, and the Oliver Township Fire Department served up almost 400 free hot dogs. The kickoff to summer featured foam parties, a 27-foot slip-n-slide, water wars, a SpongeBob combo bounce house, games and more.

Lexington Lions held their awards ceremony. The Lion of the year award was given to Georgeann Burdick. The Heart of the Lion award was given to Betty Pasut and Carol Westby. Certificates of Appreciation were awarded to Sid White, Tabitha Ellul, Dawn Smith and Jim Allan

North Branch Lions will be having their annual bump-n-run June 25. They also will have their first Rodeo on Saturday, July 2.

The Minden City Lions Club continue their raffle and are preparing for the big festival coming up. The club recently purchased 4 sets of bleachers for the community to use in the local park.

In ID Justin Faber news, Charter President Luke Emvi of the Njeru Nile Lions Club was at the orphanage to present Lion Luyima John the shoes to the children that were purchased by the efforts of Mrs. Heather Shanks 7th grade class at Cros-Lex Middle School. These students felt the passion to help these children in need who had no shoes of their own. They raised \$1,625 to purchase each child a pair of shoes, 2 pairs of socks, and shoe polish. The smile on the children faces says it all! Please stay tuned on the Ugly Lions Club efforts to build a well for the orphanage and village in Uganda Africa.

Metamora Lioness Lions held a very successful road rally/scavenger hunt/photo scavenger hunt. They had 30 teams of 4 scrambling around Lapeer, Metamora and Oxford looking for clues and items. The participants then returned to the Lions Hall for a buffet.

The Metamora Lions Club donated 2 Trex benches this month. One is to be placed in a park memorial garden honoring those who died in the Oxford shooting and the other was presented to a local Middle School in recognition of all the support the school has given the Metamora Lions Club

Onkema Lions hosted a full house and sold a total 312 paddles at the Annual Quarter Paddle Auction. Cash, food and auction items were donated totaling over \$10,595.00 contributed to benefit the Onkema Lions Club. Donated items included golf packages, a Mackinac Island gift package, handcrafted items, homemade goodies, lots of restaurant gift certificates, camping chairs, tables, and even a kayak!

The Onkema Lions Club celebrated their Charter Night and celebrated 55 years since the Club started. Congratulations to Phil Coryell for his dedication, Duane Anderson for the Ken Lautzenheiser Fellowship Award, Rob Ide for "Lion of the Year", Rob Ide and Mike Haske on "Cheers Award" and Kathleen Bowers for the "Helen Keller Award". We also inducted a new Lions member Richard Lenz. Welcome Richard! Congratulations to all! Another great night to be an Onkema Lions member!!!

Lion Mike Hoy and Cowboy participate with the Midland Lions Club in the Memorial Day parade.

Midland Lions Club members marched in the Memorial Day parade, handing out candy along the route and greeting parade-watchers. The club's spring fundraiser did very well this past week. 19 Lion volunteers worked for a total of 32 hours and raised a total of \$1,139.89. That averages out to be \$35.50 per hour. We also have a second White Cane fundraiser in September. Pictured are Lions Mike Hoy, Cowboy, Mark Schultz volunteering during the White Cane fundraiser.

Lakeview Lions Club cleaned a 2-mile stretch of road and this year 18 people answered the clubs call to help. Adding to the successful cleanup this year was Zhanbolot Karimov, an exchange student from Kyrgyzstan. Lakeview Lions Club would like to thank Zhanbo for his huge contribution. This marks 106 hours that this young man has volunteered in the Lakeview community since arriving in August. He is leaving to return home at the end of May. He will be missed by many people.

McLaren Central Michigan (MCM) was the recipient of 240 backpacks donated by the Mt. Pleasant Michigan Lions Club in collaboration with Sleepy Dog Books. The backpacks—filled with stickers, colored pencils, coloring book and stuffed lion—will be provided to children visiting the Emergency Department at the hospital. "These backpacks will help ease a child's experience when visiting," said Dr. Daniel Wilkerson, Director of Emergency Medicine at MCM. "Emergent visits are unplanned, and if we can provide them with something to help pass the time and put a smile on their face, that makes their day brighter."

District Governor Bill Gaines presides over the recent E2 Convention.

The convention service project was well attended, as 500 bags were filled with goodies to be handed out at KidSight screenings. ID Allen and Lion Susan Snider even got in on the fun. Using the KidSight trailer there was also a KidSight screening for children that were at the resort during convention weekend. Thanks to everyone that helped, and especially to the Honorary Committee in conjunction with the GST for their role in organizing this great service project. Many thanks to Boyne Valley and East Jordan Lions club for their service in hosting this year's successful convention at Boyne Mountain!

Hale Lions Club hosted a successful "Murder Mystery" dinner theater with 80 attendees present for the evening's suspenseful events. The story centered around the final wine auction the Tortellini Brothers Winery would ever have. Dinner – and the ensuing murder- created a great fundraiser for the club.

Hillman Lions Club celebrated Earth Day with 5th graders from Hillman Elementary making projects from recycled materials.

East Jordan Lions Club had an excellent turnout for their spring event. More than 100 kids participated in games-winning candy, prizes and bicycles! Stella Barraw

Gaylord was hit with a devastating F3 tornado on May 19, demolishing many homes and businesses. Lions in the district acted quickly to obtain a \$7,500.00 disaster grant from the Lions of Michigan Foundation. Money was used to obtain gift cards and were distributed to those in need. In addition to gift cards, many donated items were collected for disbursement. Where there's a need, there truly is a Lion.

The District Float will be at its new home beginning August 1st. The address is 8543 E 7 mile RD, Big Rapids, 49307. Reservations still need to go through myself, using the form on the District website. The float is available. Whichever Club picks it up is responsible to return it promptly!

Any questions, contact Lion Laura Johnson at 231-250-0537.

Remember we accept used hearing aids of any age or condition. All used hearing aids are recycled with one of the hearing aid manufactures. Lions of Michigan Foundation is given credits to be used towards the purchase of new hearing aids. Most Clubs collect hearing aids with their glasses. If you have hearing aids for recycling give them to our Foundation Reps., your Zone Chairs, or Lion Peggy Frank at 616 217-6840 for pick-up.

Christmas is a special time for the Barryton Lion's Club! It stands for everything that the Lion's Club means to us, giving to those that need our help. We work throughout the year holding fundraisers so that we can give help when we are called upon. Whether it be college scholarships, hearing aids, glasses, financial assistance or just our time, we are always there to give whenever the need arises.
